6th Sense Syrah

2015 | Lodi Appellation

TASTING NOTES

"Distinctive and exotic, this affordable wine is concentrated while layering cola, pine forest and clove nuances on top a core of ripe blackberries. It is medium to full in body and moderately tannic. The saturated flavors coat the palate nicely and linger on the finish." ***Editors' Choice.***

HISTORY

The Phillips brothers planted one of the first Syrah vineyards in California in 1982. With Michael's son Kevin continuing the Phillips grape growing tradition into the 6th generation, this Syrah vineyard was one of the first he tended to as our Vineyard Manager. If you turn the bottle around you will see Kevin's eye looking out from the inside of the bottle, making sure the wine is being enjoyed!

GROWING CONDITIONS

Unusually low rainfall in late winter and early spring delivered California a much drier growing season in 2015. This, along with a lower than average yield in the vineyard, allowed vines to produce a smaller amount of high quality fruit with great concentration, beautiful skin color and balance.
