## Michael David Rosé

2023 | Lodi Appellation

### TASTING NOTES

Pale pink in color, our 2023 Rosé opens with pomegranate, strawberry and citrus zest interweaving beautifully on the nose. Light in body with vibrant acidity, flavors of grapefruit, yellow peach and melon lead to a crisp, refreshing finish with pleasant fruit notes. Best served chilled on a patio with great company!

### HISTORY

Comprised of Syrah, Cabernet Franc and Merlot from Phillips family vineyards, this Rosé is truly one of a kind. Throughout the growing season, the berries were tasted in the vineyard to determine optimal picking time, with lower sugar and higher acidity in mind. Handpicked at the beginning of the harvest and in early morning to ensure the grapes stayed cool, the berries were then de-stemmed and whole cluster pressed. This creates a more delicate wine by reducing the contact time with the stems and skins. The wine was then fermented in cool temperatures and perfectly blended, resulting in a balanced, easy-sipping Rosé!
