Michael David Sauvignon Blanc 2022 | Lodi Appellation

TASTING NOTES

“A vivacious and bodacious Sauvignon Blanc with 1% Semillon included that adds just enough weight and complexity. Engaging aromas waft immediately from the glass—apple blossom, Granny Smith apple, white peach and nectarine. The palate opens further to notes of white grapefruit, kiwi and star fruit, cut grass and just a hint of capsicum. Lively, fun, engaging.”

WINEMAKING

Sourced from Phillips family vineyards, our Sauvignon Blanc is whole cluster pressed on a gentle cycle to keep phenolics low. The fresh pressed Sauvignon Blanc juice is then cold settled to separate the grape solids, and the clean juice is racked to another tank where it is 100% stainless steel cold fermented at 45 degrees to help retain the wine's aromas. The wine is then fermented to dryness, creating a crisp, clear, delicious Sauvignon Blanc that we are proud to put our name on.
